CHUCK DAVIS DANCE CO.

OHS DANCE PERFORMERS

DANCE

This year Orange High was fortunate enough to receive a grant from the state to fund a dance program. The dance program included three internships by professional dancers. The first instructor, Sandra Burton, a member of the Chuck Davis Dance Company taught jazz and African dance. The entire Dance Company followed Ms. Burton. On the 29th of January, the troupe and selected students presented an entire production which was a tremendous success. The final instructor, Greg Lizenberg concentrated on jazz and modern dance. This program was an exciting and educational experience for Orange High.

1981 Soccer Season was the best Orange has ever had. The Tornadoes are greatly improving every year. The upsurge of the Orange team was deeply noted by the constant scouting and observation by other teams. Orange is finally being recognized as a power in Essex County. This was the year the Tornadoes reached a sixth place ranking in the county. The offense was led by Irwin Scantlebury and first team all-stater Gustavo Pereina. The defense was held intact by all-stater Derrick Franklin and goalie Miquel Moledo.

The Orange Tornadoes Basketball sure went through their problems this year. The Tornadoes ending their year with a (1-19) record, should still hold their head up high.

The team was the first High School team to play in the Meadowland's Arena. They played Camden High. The team will miss their seniors, like Dexter, Larry, Garland, and Allen.
